After School Programmes

Homework Club Membership

Canadian students: $3,880 per semester (5 months)
International students: $2,275 per semester (5 months)

HC Flex

This is a combination of part time **FLEX School ™** and **Homework Club**, where students are enrolled in a Board school and also earning 2 credits here. Book and enrollment fees apply. Fees vary depending on schedule and needs. Fees are paid monthly.

Tutoring Fees:

This is individual hourly based private tutoring and must be prearranged. The expectation is on average 1-3 hours per week, at a cost of $50 -$65 per hour.

Fee Guidelines

All books on the User Fee Program are owned by ABLE and are on loan to the student. The student is responsible for the replacement cost of any books that are misplaced or damaged while in their use.

Registration Fees and Book Fees are due upon registration. Book fees are also due at the beginning of each new credit or course.

FLEX School ™ Tuition Fees are **due in full prior to** the beginning of the school year, or semester. Once a student is enrolled, all fees for that semester are payable, whether there is full attendance or not. To avoid owing fees, written notice of withdrawal must be submitted 4 weeks before the beginning of the next semester. If a student withdraws partially through a semester, that semester's tuition fees may be partially refundable on a pro-rated basis, and **only at the discretion of the school administration**.

NOTE: Any outstanding tuition fees will result in final grades being held until the debt is cleared. An interest charge of 1.5%per month on all outstanding balances will be charged.

Homework Club fees are due at the beginning of each month unless otherwise arranged.

NSF Charges: $55.00 charge is added to the outstanding balance and will appear on the next statement
